TAYLOR'S INTERNATIONAL SCHOOL @ BUKIT PUCHONG

Taylor's International School @ Bukit Puchong is the latest addition to the Taylor's Education Group. Taylor's Schools comprise some of the most reputable, largest and respected international schools in Malaysia and Singapore that groom over 5,000 students from over 60 countries to become lifelong achievers.

These include Garden International School, Australian International School Malaysia, Nexus International Schools in Putrajaya and Singapore, and Taylor's International School.

Taylor's International School offers a global learning experience based on the highly valued National Curriculum for England and Wales, which is highly recognised and valued worldwide.

The curriculum culminates with IGCSE examinations and qualifications when students reach the age of 16, a year earlier than Malaysian National Curriculum.

BP NEWTOWN Shop Offices

A Thriving Business Epicentre

Poised to be the commercial hotbed of Puchong, BP Newtown features 124 units of three and four storey shop offices. This new business hub is centred around both existing and upcoming developments, and is strategically located to serve the needs of the community not only within the immediate vicinity, but also that of the greater Puchong area.

This is truly the new growth area for Puchong, which has over the years generated a strong following of the middle to high-income community with greater spending power. This is compounded by excellent connectivity by major highways, as well as up and coming residential, commercial and educational projects within the area, all of which make BP Newtown a place to conduct business quite unlike any others.

Only limited units are now available as more than half of the units have been sold out in the first month after the launch, so hurry to be part of the Klang Valley's hottest business outfit!
